

Jesus: God's Obedient Servant

Isaiah 50:4-11

1. Name a time when you were sustained by God's Word.
2. How are you struggling to "hang in there in the work of love"? How does Jesus's own costly love for you encourage you to persevere in love?
3. Name a time when you were walking in darkness. What did trust look like for you at that time? How might you need to trust Jesus in the darkness you are currently walking through?
